IN THE MATTER OF THE LICENSE OF

BAK C. KIM, M.D.
License No. MA30619

TO PRACTICE MEDICINE AND SURGERY
IN THE STATE OF NEW JERSEY

Administrative Action

ORDER GRANTING UNRESTRICTED
LICENSURE

This matter was first opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about January 13, 1999, the State Medical Board of Ohio entered a Consent Agreement suspending Bak C. Kim's, M.D. ("Respondent") license to practice medicine and surgery in the State of Ohio. On or about July 20, 2000, the Board summarily suspended Respondent's license to practice medicine and surgery in the State of New Jersey pursuant to N.J.S.A. 45:1-7(b), due to Respondent's failure to renew his license in 1997. Respondent was notified that in order to be reinstated to practice medicine and surgery in the State of New Jersey an appearance before the Board would be required. On

CERTIFIED TRUE COPY

December 22, 2004, Respondent appeared before a Preliminary Evaluation Committee of the Board and petitioned for reinstatement. Respondent testified that he has been sober since he began his in-patient treatment on December 28, 1998, at the Talbot Recovery Campus in Atlanta and that all urine screens since that date have been negative for the presence of psychoactive substances. Respondent also testified that he has complied with the terms and conditions ordered by the State Medical Board of Ohio and holds an unrestricted license in that State. On March 23, 2005, the Committee reviewed documentation received from the Ohio Physicians Health Program confirming Respondent's sobriety and compliance with the terms of the program. On April 13, 2005, the Board reviewed the Committee's recommendation for reinstatement of Respondent's license to practice medicine and surgery in the State of New Jersey and determined to grant Respondent unrestricted licensure.

ACCORDINGLY, IT IS on this 11TH day of MAY, 2005,
ORDERED THAT:

1. Bak C. Kim, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
